

## NEWS UPDATE

### GRANT APPLICATIONS

The Trust welcomes grant applications for start-up costs for community projects and events. You can apply at [www.sherfordtrust.org.uk](http://www.sherfordtrust.org.uk).

Bids must be specific and costed. If approved at a monthly Trust board meeting, the bidder will be informed. They will then be refunded promptly against receipt.

Please consider current COVID-19 guidelines when putting forward a proposal and clearly state how the project or activity can be undertaken safely. Current guidance can be found at; [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus).

Applications will be considered at the monthly Community Trust Board meeting and the deadline for each month is advertised on the website.

### COMMUNITY HUB

We are pleased to confirm that the community hub planning application has been approved. The plans are now posted alongside this update. It is likely that the community hub will be in place at the beginning of 2021. The hub will be located on the school square, as marked on plan 2. It will be fantastic to see this meeting space come forward, but we must ensure that the building can be used in a safe manner. We will be reviewing how best to do this as we move closer to the date and in line with Government COVID -19 guidelines.

Any questions please email Judy Talbot; [info@sherfordtrust.org.uk](mailto:info@sherfordtrust.org.uk).
