## STAY SAFE

Earlier in the year our communities came together to help each other in the early stages of this pandemic. Thank you to everyone for following national guidance to stay safe.

Communication during this Coronavirus pandemic is very important in our communities. To be sure everyone is aware of support available from different agencies, as we go into what will be a very different winter, Brixton Parish Council is issuing this notice to residents across Brixton Parish including those in Carrollsland and in Sherford.

### **Social Contact**

If you can access the internet you will see community support in action on ***Love Brixton Devon Facebook, Brixton Village Facebook*** and ***Sherford Community Facebook***. Local people are quick to help or offer advice in response to requests for support or information.

For parishioners who do not use computers, a smart phone or a tablet, Brixton Parish Council will post information on **notice boards** in Brixton Village, Sherford and Carrollsland.

**Scams & frauds** Currently there is an increase in reports of people being defrauded or scammed by phone, letter, online and on the doorstep. Double check anyone who contacts you - they may not be who they say they are. Scammers may spend ages getting your trust to con you out of savings and pensions - or may try to try to bully or rush you into making payments urgently.

Trustworthy organisations never rush you, never ask you to transfer money in a hurry, and never ask for your banking details. Please look out for neighbours, friends or relatives who may not realise they are being targeted as victims.

If you are concerned about a **scam** contact Citizens Advice consumer service **08454 040506** or get online consumer advice and information at: [www.citizensadvice.org.uk](http://www.citizensadvice.org.uk). Report scams/suspected scams to **Action Fraud 0300 123 2040** [www.actionfraud.police.uk](http://www.actionfraud.police.uk) Action Fraud is the UK's national reporting centre for fraud and internet crime. If debit cards, online banking or cheques are involved in the scam, the consumer's first step should be to contact their bank or credit card company.

**Brixton Local Leaders** and **Call for help**. Earlier this year local leaders volunteered across Brixton Parish to help look out for their neighbours in their area. Households in Brixton received a note from Local Leaders with their contact details and everybody was asked to signal if they needed help - by **flying a pillowcase or tea towel from their letter box or window. Do this if you need help**. If you would like a contact reminder, email [helen.deaswilliams@brixtonparishcouncil.org.uk](mailto:helen.deaswilliams@brixtonparishcouncil.org.uk) or phone **01752 975141**.
