Creating opportunity in Sherford

Real Ideas are working with Sherford Community Land Trust (SCLT) and the residents Community Panel and have created a plan for the Trust for the next year. This plan centres around five areas identified as being important to the community: Communication, Events and Activities, Shops and Amenities, Young People and Environment and Heritage.

Each area has a working group that is meeting regularly to shape ideas and plan activity, with the support of Real Ideas and the Trust.

This is a great opportunity to have a say and be part of delivering positive things where you live!

If want to be part of a group or have ideas for your community that you would like to share, please contact Amy Cooper (amy.cooper@realideas.org)
